This work is NOT PROTECTIVELY MARKED under the Government Security Classification Policy and any referrals for advice and rationale in relation to Freedom of Information Act disclosure should be made to the Head of Knowledge and Communications, National Ballistics Intelligence Service at nabis@west-midlands.pnn.police.uk

Document information

Protective marking:	NOT PROTECTIVELY MARKED
Author:	DCI Matt Markham – November 2015
Force/Organisation:	NABIS – West Midlands Police
NPCC Coordination Committee Area:	NCOCC
APP/Reference Material	Reference Material
Contact details:	nabis@west-midlands.pnn.police.uk 0121 626 7114
Review date:	November 2017
Version:	1.0

This revised advice has been produced and approved by the NABIS and the National Criminal Use of Firearms Group. It has been approved by NCOCC and VPP portfolio lead. The operational implementation of all guidance and strategy will require operational choices to be made at local level in order to achieve the appropriate police response and this document should be used in conjunction with other existing Authorised Professional Practice (APP) produced by the College of Policing. It will be updated and re-published as necessary.

Any queries relating to this document should be directed to either the author detailed above or the Head of Knowledge and Communications at NABIS on 0121 626 7114
